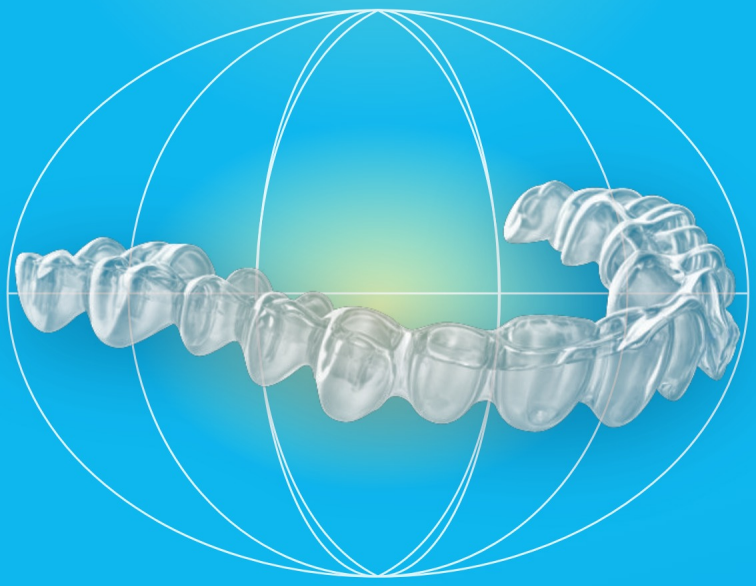
Limited spots



Aligners Sun&Fun is a one-of-a-kind event worldwide: over 1,000 doctors from more than 45 countries in an experience that blends **top-level science** with an unmatched social setting to **learn, connect and enjoy**. A combination that's hard to repeat.

Not everything happens inside the auditorium. Reunions, new connections, conversations that inspire and moments to enjoy with peers who share your same passion.

Because what you live also makes you a better orthodontist.

It's all rounded out with social events designed to unwind and have fun, because sharing in a relaxed atmosphere is also part of the **learning**.
