FREQUENTLY QUESTIONS

If I register, will I have direct access to the full course?

The content has established dates that you can see on the previous pages.

What are the group case review sessions like?

Zoom-in clinical sessions where you will plan your cases with the doctors and see the hits and misses by practising on your own cases.

What is group chat?

You can be connected with our doctors 24 hours a day and ask any questions about your invisible orthodontic cases.

If I am unable to attend the live sessions... Can I watch them again?

Yes, you will have access for 12 months to go through these classes at your own pace.

Does the course include the ANGEL ALIGNER certification?

This training does not include any certification. However, to work with ANGEL ALIGNER, it is not necessary to obtain any official certification.

What are the private sessions included in the ACCELERATOR PLAN?

30-minute private sessions with the doctors in which you will plan your cases, learn about 3D controls and gain confidence to pass your iORTH0.

Do I have a limit of cases to review in the ACCELERATOR PROGRAMME?

No, you will be able to review as many cases as you want during the 12 months, in 1:1 sessions, you will have a private calendar to schedule.

What is private chat?

It is a private chat with the doctor who is planning your iORTH0 with you to solve doubts about your cases, in this chat there will only be you and him.
