# SAS MEETING

MILAN

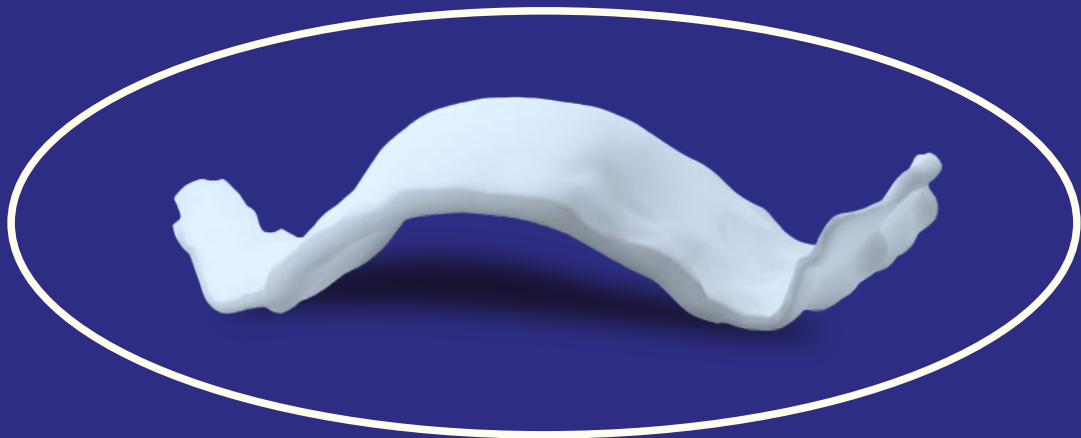

12 - 13

SEPTEMBER

For the first time,  
Smart Aligner Services  
is breaking boundaries  
and launching our first  
course outside Spain.

Come and enjoy it  
with us!

Designed for doctors to delve deeper into advanced orthodontic techniques related to skeletal expansion and mandibular advancement, addressing both the biological fundamentals and clinical application through aligners and fixed appliances.

Lorenzo Bartolommei  
Andrea Conigliaro  
Javier Lozano  
Luis González  
Giorgio Comola  
Riccardo Capuozzo  
Matteo Reverdito  
Eliana Alemanno

They will be responsible for conducting this training.  
Become an expert in aligners.

This is the perfect  
course for you.
