

15-17 APRIL

ALICANTE 2027

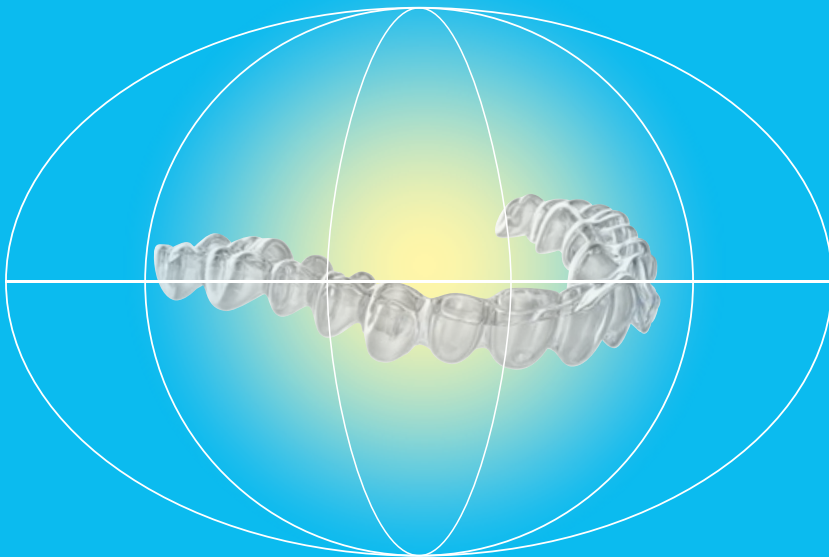

ALIGNERS SUN & FUN 5

**EARLY
BIRD UNTIL
August 31**

Orthodontics with aligners goes far beyond planning. It's about biomechanics, control, and clinical execution to turn your strategy into **real-world results.**

Over 1,000
doctors from
more than 45
countries

**Limited
availability**

Aligners Sun&Fun is a world-class event that has already brought together over 1,000 doctors from more than 45 countries. It is an experience that blends high-level clinical lectures with an unparalleled social setting to **learn, connect, and enjoy.**

Immerse yourself in three days of intensive orthodontics training. Get expert feedback on your cases in practical sessions, troubleshooting challenges and reviewing your clinical work side-by-side with our mentors.

An experience to
elevate your career
as an orthodontist

Everything is complemented by social events designed to unwind and enjoy, because sharing insights in a relaxed atmosphere is also a vital part of the learning experience-
