# Frequently asked questions

The 1:1 sessions... do they carry over to the next month if I don't use them?

How do private case review sessions work?

What is private chat?

I want to cancel my monthly subscription... Is it possible?

Which brand of aligners can be used??

As long as you are still on the subscription, you can keep them for the next month.

30-minute clinical sessions where you will zoom in and plan your cases together, and you will make a treatment plan with the doctor to better understand the biomechanics of the aligner.

You can stay connected with our doctors 24 hours a day and ask any questions about your invisible orthodontic cases.

Of course, you can unsubscribe at any time without any obligation.

With any brand, we adapt to the brand you work with.
