FREQUENT QUESTIONS

If I sign up, will I have access for 12 months?

The content will be unlocked month by month, there is a lot of content so it is necessary to do it step by step.

How are the private case review sessions?

Clinical sessions of 30 minutes where through zoom planificareis together your cases, you will realize the treatment plan with the doctor to better understand the biomechanics of the aligner.

What is the private chat?

You will be able to stay connected with our doctors 24 hours a day and ask any questions about your invisible orthodontic cases.

FREQUENT QUESTIONS

How are the group reviews?

For 12 months, you'll have access to group sessions every Monday from 6p.m. to 8p.m.

In these sessions, you can review your cases with Dr. Luis González Barbero, resolve doubts about something specific or about the cases that you are planning with us. Whatever you need!

Do I have a limit of cases to review?

No, during that year, you will be able to review in private and group sessions, the cases you need.

I want to cancel the monthly subscription.... Is it possible?

In any case, the SAS Method is not a monthly subscription, the program allows a 12-month installment payment but cannot be cancelled at any time.

FREQUENT QUESTIONS

I work with in-office aligners...
Can I do mentoring with you?

Of course, César García is an expert in the design and impression of aligners, you can schedule 1:1 sessions with him to review your cases.
